

OPAL

OPAL Window Cleaner

Window Cleaner is a blue thin liquid with a characteristic ammonia and alcohol odour. This formula combines a high-performance solvent system with the power of ammonia, guaranteeing a streak free finish every time. This product has a fast-acting formula that quickly dries, penetrates and dissolves dirt, dust and other soils on glass, windows and mirrors leaving surfaces squeaky clean and streak free. Window Cleaner is easy and safe to use, and its surfactants are biodegradable.

Window Cleaner may be used as a spray & wipe for cleaning desks and counter tops in office environments. Also, Window Cleaner will effectively remove stains from alcohol and tobacco residues on poker machines leaving them with a streak free clean.
